- 5) *All Resident Council members and eligible guests shall not be allowed to use offensive or inappropriate language or behavior in or at a Recreation-sponsored activity or facility. Individuals who do not act appropriately will be asked to leave the activity or facility. Having listed those assumptions, the following are intended to provide clarification to all participants.*
- a) *The use of obscenity, profanity or vulgarity during Resident Council activity or in any conversations involving participants will not be tolerated.*
