Officers in Attendance: Bill Turechek, President
Tom Featherling, Vice-President
David Sasenick, Secretary
Jerry Brodeur, Treasurer
Eugene Steif, 2nd Vice-President
Ted Soper, 2nd Vice-President

Meeting started at 9:54 a.m. President Bill Turechek welcomed Ted Soper back.

Discussion: Late arriving regular player

When a regular player arrives after a substitute has already started playing, (1) should the regular player be allowed to play, or (2) should the substitute continue to play, or (3) should it be the Captain's choice? After a brief discussion, it was decided that the substitute would finish the first game; then it would be the Captain's choice whether the regular player or the substitute would continue.

Discussion: Teams staying together from one season to another

It was suggested that teams be allowed to stay together, if they so choose. The exception being any team that finishes in first, second, or third place must go into the open draft. After discussion, it was decided that the Wednesday League will remain as is and every player will be in the open draft.

Treasurer: Jerry Brodeur

He has the payouts from last season. See him to collect your monies.

Draft began at 10:07 a.m.

Draft ended at 10:41 a.m. and meeting was adjourned.

Respectfully submitted,
David Sasenick, Secretary
